DETAILED ACTION

1. Pursuant to Applicant's November 5, 2004 Amendment and REMARKS the previous Office Action is withdrawn. The Examiner thanks Applicant for pointing out the inadvertent error regarding the pending claim status from the previous Office Action. However, it is noted that Applicant cancelled claim 43 and amended claim 56 from the November 5, 2004 Amendment. Thus, Applicant's portrayal of the pending claims from page 21 of the November 5, 2004 REMARKS is not correct. Overall, the Applicant has canceled claims 24, 26-28, 31, 43, 49, 50 and 73-84. Accordingly, claims 1-23, 25, 29, 30, 32-42, 44-48, 51-72 and 87-95 are presently pending.

Claim Rejections - 35 USC § 103

3. Claims 1-23, 25, 29, 30, 32-42, 44-48, 51-72 and 87-95 are rejected under 35 U.S.C. 103(a) as being unpatentable over Yankowski, US 5,751,672.

Yankowski discloses a distributed entertainment system, e.g. Figs. 4a-8, where a user may via computer, e.g. 32, access a local database, e.g. 128, a remote master database, e.g. 144, 350, or transfer a requested item via a network, e.g. 44, from the remote database to the entertainment system. Yankowski does not explicitly use the terms wide area network (WAN) or graphical user interface (GUI). However, Yankowski contemplates other systems, e.g. cols.6-7, lines 64-3.

To have provided a WAN and GUI (computer 32) along with the other common knowledge communication means to access graphical images for Yankowski would have been obvious to one of ordinary skill in the art. Providing such would have been implementing common knowledge computer interface systems with what was contemplated by Yankowski.

4. Further pertinent references of interest are noted on the attached PTO-892, e.g. Wehmeyer, US, 6031,795 discloses, e.g. cols. 3-4, local and remote databases in an entertainment system.

5. Applicant's Information Disclosure Statement received November 5, 2004 has been reviewed. Note the attached PTO-1449.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

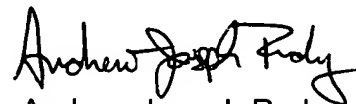

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
